6. (Unclassified - JGO) Informal advice from the office of Lt. Col. Francis J. Dillon, Jr., Staff Consultant, House Committee on Aeronautics and Space, indicates that CIA representatives are scheduled to appear at 10:00 a.m. May 13, 1960 in the open hearings concerning machine methods of translation of foreign languages. It was requested, if possible, a prepared statement be furnished to the Committee at the time of the hearing. A brief resume of matters to be covered by the witnesses is being prepared by the Committee staff and will be provided the Committee members prior to the date of the hearing. Matters under consideration will be unclassified.

The AD/CR has advised that he and [redacted] ORR, will be available to appear on behalf of the Agency. (See Journal of 11 April 1960)
